ABOUT INSTITUTE

The Arun Jaitley National Institute of Financial Management (AJ-NIFM) is a Center of Excellence specializing in capacity building of professionals in the fields of Public Policy, Public Finance, Financial Markets, Financial Management, and other related areas for promoting highest standards of professional competence and practice.

AJ-NIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with, it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management position dealing with accounts and finance in the Government of India. In due course of time, AJ-NIFM has become a premier resource center to meet the capacity building training needs of the Central Government for their senior and middle level officers. AJ-NIFM also caters to the State Government, Defence Services, Autonomous Bodies, PSUs, and Financial Institutions for their capacity building and research requirements.

AJ-NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas and experience among officers from various organized services, state governments, and personnel of civil and defense establishments.

Apart from capacity building, AJ-NIFM is also engaged in research studies in the areas of financial markets, financial management, public procurement, and other issues related to public finance, public policy and delivery systems. The outcome of such research studies is published and disseminated through Research Papers. AJNIFM publishes a peer reviewed research journal called NIFM Journal of Public Financial Management with a biannual publication

AJNIFM also undertakes various consultancy projects relating to its domain viz. monitoring and evaluation of various Government schemes, third party evaluations, writing of policy documents, manuals etc.

The Union Finance Minister of Government of India is the President of the AJ-NIFM Society. The Secretary (Expenditure), Government of India is the Chairman of the Board of Governors (BoG). The Director, AJ-NIFM is responsible for the administration and academic programs of the Institute. AJ-NIFM has a distinct advantage of an amalgamation of faculty from academics, industry experts and Government.

ABOUT JNU

Jawaharlal Nehru University is the foremost university in India, and a world-renowned centre for teaching and research. JNU was established by an act of Parliament in 1966. The strength, energy, and reputation of Jawaharlal Nehru University result from the vision that ideas are a field for adventure, experimentation and unceasing quest, and that diversity of opinions are the basis for intellectual exploration.

JNU is the place for the intellectually restless, the insatiably curious, and the mentally rigorous, giving them the space to grow amidst the calmness of an oasis, a green lung within the hustle and bustle and the crowds of the capital city of India.

The educational philosophy of the university gets translated into its somewhat unorthodox academic structure. Grounded in a faith in the unity of knowledge, JNU has sought to avoid the narrowly conceived Department structure of conventional universities, preferring instead to bring allied disciplines within a few broad and inclusive entities called Schools, under whose interactive ambit are placed the more specialized units, called Centres. At present there are ten Schools and four Special Centres in the University.

The University brings out four research journals which have high academic visibility in India and abroad. These are Studies in History, International Studies, JSL (the Journal of the School of Language, Literature & Culture Studies) and Hispanic Horizons. Several members of the JNU faculty also edit national and international journals besides the above four.

AJ-NIFM has entered into an MoU with JNU for recognition of their PGDM (Finance) and PGDM (Financial Management) programmes as MBA (Finance) and MBA (Financial Management) respectively. These two programmes are now accredited to JNU. The participants are enrolled with JNU and degree to the participants of these programmes would be awarded by JNU after successful completion of the programme at AJ-NIFM.

MESSAGE FROM DIRECTOR, AJNIFM

Dear Industry Colleague,

The financial landscape in India is undergoing a significant transformation, as it assimilates global financial practices. This has resulted in a dynamic and complex environment, creating new demands and growth opportunities. To ensure that our students are well-prepared to capitalize on these opportunities, AJNIFM and JNU have entered into a Memorandum of Understanding (MoU) for a two-year full-time MBA program in Finance. The MBA degree will be awarded by Jawaharlal Nehru University, New Delhi.

The aim of this two-year program is to develop professionals who can effectively address the requirements of the global financial sector. As we embark on a new academic year filled with promise and potential, I wanted to extend a heartfelt invitation to you. At AJNIFM, we are dedicated to nurturing and empowering the leaders of tomorrow. Our students represent a diverse and dynamic talent pool, ready to tackle the challenges of the ever-evolving professional landscape.

I am delighted to introduce the participants of the 2023-25 batch of the two-year full-time MBA in Finance. They are scheduled to complete the program in April/May 2025. This program not only facilitates theoretical learning but also provides practical exposure to the financial sector. It aims to equip students with an integrated approach to finance functions and managerial skills. Through a blend of theory and practice, each participant gains a comprehensive understanding of financial management practices across various market segments.

Over the years, AJNIFM's MBA program (previously known as Financial Markets) has established itself as a program that meets all the professional requirements for a successful career in the field of finance and financial markets. We continuously update the program based on valuable feedback from all stakeholders. With our current upgraded curriculum for a full-time two-year postgraduate program in finance, I am confident that our candidates are aspiring to be fully equipped to tackle the challenges of the existing global financial landscape.

I would like to extend an invitation to your organization to participate in our campus placements as well. This presents an excellent opportunity for your organization to engage with our talented students and contribute to their growth and development.

Thank you for your attention, and I look forward to the possibility of a fruitful collaboration!

Praveen Kumar
Director, AJ-NIFM

Programme Director, MBA (Finance)

Dear Industry Colleague,

I hope this message finds you in good health and high spirits. We are excited to extend an invitation to your esteemed organization to participate in our upcoming campus Placement program at Arun Jaitley National Institute of Financial Management (AJNIFM), an autonomous institution under Ministry of Finance, Government of India.

At AJNIFM, our core mission is to cultivate the innate talents of our students and guide them as they transition into the professional realm. We deeply value and acknowledge the indispensable role our industry partners play in this transformative journey. As a leading institution celebrated for churning out top-tier talent, we are confident that your active participation in our Campus Placement program will yield mutual benefits.

AJNIFM has a proud legacy of producing well-rounded, driven, and highly skilled graduates who are poised to make meaningful contributions to the professional world. The genesis of our MBA (Finance) program at AJNIFM was driven by society's call for a premier education in the Financial Sector, particularly emphasizing Financial Markets. This program is tailored to mould adept professionals ready to take up pivotal roles in regulatory bodies, stock exchanges, market intermediaries, banks, mutual funds, asset management firms, and other similar entities.

Our curriculum is enriched with skill enhancement sessions led by industry stalwarts, coupled with hands on training on state-of-the-art financial tools like Bloomberg, Prowess, and Refinitiv Eikon. Participants are immersed in real-world scenarios through market simulations, corporate excursions, and lectures on contemporary topics. Moreover, our students undertake both domestic and international field trips to financial regulators and institutions in cities like Mumbai and Singapore. These trips offer them a golden chance to engage with top-tier professionals from institutions such as RBI, SEBI, NSE, BSE, NCDEX, MCX, FIMMDA, CDSL, and global entities like the World Bank, Bloomberg, Refinitiv, and the Singapore Exchange (SGX).

To realize the goals of the program at AJ-NIFM, we've integrated a diverse set of instructional techniques and strategies. Our comprehensive approach encompasses case studies, role-playing scenarios, problem-solving exercises, group discussions, computer simulation games, and the use of audio-visual aids, among other enriching extra-curricular activities. This multifaceted approach ensures a holistic learning experience for our students.

Hence, we warmly invite corporate entities to join the 'Placement Process' at AJNIFM, allowing them to discover the remarkable talent our institute has to offer!

Dr. Jaya Bhalla

Programme Director MBA (Finance) 2025-27 Batch

Dear Industry Colleague,

Greetings from AJNIFM

Welcome to the programme of Master of Business Administration (Finance), AJNIFM. This two-year long-term programme will help you to unlock your potential in the rising world of finance. This programme provides you with an opportunity to gain specialization in the area of finance. The purpose of the programme is to broaden the horizon of professions from a basic understanding of finance to analytical skills in finance. During the tenure of the programme, students will be accumulating functional knowledge with an understanding of finance to take diversified roles in higher-level management. This programme emphasises the nuances of finances and also provides a way to navigate future risk and uncertainty in the financial world from prominent academic and professional experts.

Having a flair for emerging technology, this programme is equipped with various technical aspects like financial markets, Fintech, Financial Econometrics and Financial Analytics.

We take this opportunity to extend an invitation to corporate organizations to visit AJNIFM for our Campus Placement Process. We invite you to explore the talent pool available at our institute and discover the potential contributions our students can make to your organization.

Alumni Testimonials

"Being a part of 1st batch of 2 year MBA Course, new beginnings is always special and so is my journey in NIFM. Looking back, I can certainly say that AJNIFM was the most important milestone in shaping my career. MBA(Finance) course provides an innovative course design, best in class faculty from industry and hands on experience from various trainings. Throughout the academic session, I was challenged to discover capabilities that I never know I had. Along with academics, college also focuses on personality development which helped me build a rewarding career. Currently I am working as Credit Analyst for Evalueserve with a goal to build strong research skills. It has been an unforgettable journey since I joined AJNIFM and I owe my success to my Alma Mater."

Ridhima Gupta
Credit Analyst, Evalueserve, (Batch 2019-21)

"I am thankful to AJNIFM for providing me the right platform to pursue the career of my choice. Everything right from a well curated curriculum, interactive lectures, intriguing projects and extremely qualified and experienced faculty at AJNIFM, helped me kick-start my career in financial markets."

Aastha Jain
Research Analyst, CRISIL, (Batch 2021-23)

"AJNIFM created a plethora of opportunities for me in Financial Services. The institute transformed my thinking, vision and possibilities towards the financial world. The educator's dedication towards students and their knowledge of the real financial world is class apart and has supported me to think beyond what possible. The course is different, exciting and much more adventurous than skydiving."
