About AJNIFM

Arun Jaitley National Institute of Financial Management (AJNIFM) is a Centre of Excellence specializing in capacity building in the fields of public policy, financial management and other governance issues for promoting highest standards of professional competence and practice. AJNIFM caters to the training needs of various Ministries/ Departments/ Attached Offices, Autonomous Bodies, PSUs, etc. of both Central and State/ UT Governments. We also run training programs for international participants under ITEC.

Apart from conducting training programs which are OPEN for the officers from various Ministries/ Departments/ Attached Offices, Autonomous Bodies, PSUs, etc. of both Central and State/ UT Governments, we at AJNIFM, analyse the capacity building and training needs of different levels of Officers/ Cadres in an organization. Based on this we, in consultation with that organization/ Cadre, design and deliver the training programs suiting their specific requirements. Various areas of training include GFRs, DFPRs, Public Procurement, GeM, PFMS, GST and Income Tax, Financial Management, Budgeting, Public Private Partnership, Project Management, Auditing, Contract Management, Arbitration & Negotiations, etc.

The Institute has lush green campus spread over 42 acres of land in Faridabad on the outskirts of the National Capital.

The campus has an indoor sports complex with gymnasium, billiard, squash, badminton, Yoga and outdoor sports' facilities providing conducive environment for learning.

About the Program

➤ **Program Background**

With the advent of economic liberalization, deregulation, and consequent globalization, financial-related inputs have become more critical to management decisions. A modern-day executive operating in a highly competitive environment and aspiring to assume a more effective role in decision-making process would, therefore, do well to possess sufficient insight into the intricacies of financial issues. A proactive role in decision-making requires of finance and various related concepts so that s/he can objectively, and in a professional manner, evaluate alternative courses of action.
