FINANCE FOR NON-FINANCE EXECUTIVES

16– 20 November 2026

About the AJNIFM

The Arun Jaitley National Institute of Financial Management (AJNIFM) is a Centre of Excellence, specializing in capacity building professionals in Public Policy, Financial Management, and other governance-related issues to promote the highest standards of professional competence and practice. AJNIFM is a premier resource center for the capacity building of senior, middle, and entry-level managers in the Government of India. Apart from capacity building, AJNIFM is also engaged in serious research studies in accounting, audit, financial management, parliamentary financial control, and other issues related to public policy and delivery systems.

About the programme

With economic liberalization, deregulation, and consequent globalization, financial-related inputs have become more critical to management decisions. A proactive role in decision-making requires each functional manager to equip herself/himself with a working knowledge of finance and various related concepts so that s/he can objectively, and in a professional manner, evaluate alternative courses of action. The basic aim of this course is to promote this ability.

Programme objectives

- to develop an understanding of financial statements for better appraisal of an organization's performance;
- to appraise participants about the basic concepts of financial management such as the time value of money, risk-return trade-off, etc.;
- to impart knowledge on major financial decisions such as investment decisions, financing decisions, etc.; and
- to introduce contemporary issues in finance and also the use of information technology in modern finance and accounting.

Key Topics

- Preparation of three statements- Income Statement, Cash Flow Statement, and Balance Sheet.
- Ratio analysis, Trend Analysis & Common-size Statement Analysis, Time Value of Money Risk and Return Analysis.
- Investment Decision (Capital Budgeting), Capital Rationing, and Risk Analysis in Capital Budgeting.
- Cost of Capital, Capital Structure and Leverage Analysis, and Mobilization of Resources: New Instruments, Working Capital Management, Cash Management.
- Cost Concepts, Break-even Analysis, Social Cost-benefit Analysis, Financial Engineering and Fintech.
