◦ About Public Procurement related courses

A Large amount of public fund is spent on public procurement, for which specific rules and procedures have been framed. It is imperative that the officers engaged in public procurement working in in the pay level at Grade Pay of 4800 or above in CDA Scale and E0 and above in IDA Scale and in any other scale equivalent to these two possess thorough knowledge of all the relevant rules, regulations and procedures of public procurement.

Ministry of Finance, Government of India has identified AJNIFM as the nodal agency for conducting training programmes on these subjects with a view to educating and familiarizing the concerned executives/officers with all the relevant rules and procedures of public procurement. AJNIFM receives active support from Procurement Policy Division of Ministry of Finance, Government of India in this regard. AJNIFM has been conducting these training Programmes regularly since 2015.

◦ Pedagogy and Faculty

AJNIFM offers very high quality training solutions for all types of public procurement namely goods, works and consulting services as also GeM. The Institute has vast intellectual resources to meet the ever increasing demand of building public procurement capacity. Training modules and session plans have been carefully designed to cover both the theories and practices of public procurement with case studies, group discussions etc. The faculty comprises academics of AJNIFM and leading experts who have about four decades of experience in various areas of public procurement, including policy formulation. Many are currently engaged as senior consultants/advisers/trainers in various organizations like the World Bank, government departments and consulting firms.
