

National Conference on Gender Equity in Urban India

Organised By:

The Gender Responsive Budgeting (GRB) Cell of Arun Jaitley National Institute of Financial Management

In collaboration with

Regional Centre for Urban & Environmental Studies (MoHUA, Government of India)

and

SANGRAHA Centre of Excellence in Urban Planning and Design, NIT Calicut

Event Details:

- **Date:** 17–18 March 2026
- **Venue:** Osmania University

About the Conference:

The conference focused on 'Gender Equity in Urban India: Bridging Gaps through Policy Planning & Public Finance.' It brought together academicians, policymakers, and practitioners to discuss gender-responsive urban governance and inclusive development.

Conference Highlights

The discussions emphasized inclusive urban governance, gender-responsive budgeting, policy planning, and strengthening public finance mechanisms to bridge gender gaps in urban India.
