ABOUT AJNIFM

The Arun Jaitley National Institute of Financial Management (AJNIFM) is a centre of Excellence specializing in capacity building of professionals in the fields of Public policy, Public Finance, Financial Markets, Financial Management, and other related areas for promoting highest standards of professional competence and practice.

AJNIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with, it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management position dealing with accounts and finance in the Government of India. In due course of time, AJNIFM has become a premier resource centre to meet the capacity building training needs of the Central Government for their senior and middle level officers. AJNIFM also caters to the Central Government, Defence Services, Autonomous Bodies, PSUs, and Financial Institutions for their capacity building and research requirements.

The Union Finance Minister of Government of India is the President of the AJNIFM Society. The Secretary (Expenditure), Government of India is the Chairman of the Board of Governors (BoG). The Director, AJNIFM is responsible for the administration and academic programs of the Institute. AJNIFM has a distinct advantage of an amalgamation of faculty from academics, industry experts and Government.

AJNIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas and experience among officers from various organized services, state governments, and personnel of civil and defence establishments.

Apart from capacity building, AJNIFM is also engaged in research studies in the areas of financial markets, financial management, public procurement, GST and other issues related to public finance, public policy and delivery systems. The outcome of such research studies is published and disseminated through Research Papers. AJNIFM publishes a peer reviewed research journal called NIFM Journal of Public Financial Management with a biannual publication.

AJNIFM also undertakes various consultancy projects relating to its domain viz. monitoring and evaluation of various Government schemes, third party evaluations, writing of policy documents, manuals etc.

In addition, AJNIFM offers two long-term academic programs: MBA (Finance) and MBA (Financial Management) which are recognized by Jawaharlal Nehru University (JNU).

ABOUT JNU

Jawaharlal Nehru University is one of the foremost universities in India and a world-renowned centre for teaching and research. JNU was established by an Act of Parliament in 1966. The strength, energy, and reputation of the University stem from its vision that ideas are a field for adventure, experimentation, and an unceasing quest, and that diversity of opinions forms the basis for intellectual exploration.

JNU is a place for the intellectually restless, the insatiably curious, and the mentally rigorous, offering an environment that fosters growth amidst the calmness of a green, serene campus often described as a green lung within the hustle and bustle of the capital city of India.

The educational philosophy of the University is reflected in its distinctive and somewhat unorthodox academic structure. Grounded in a belief in the unity of knowledge, JNU has consciously moved away from the conventional departmental system. Instead, it organizes academic disciplines into broad, inclusive entities called Schools, within which more specialized Centres operate in an interactive and interdisciplinary framework. At present, the University has ten Schools and four Special Centres.

JNU publishes four highly reputed research journals with strong academic visibility in India and abroad: Studies in History, International Studies, JSL (Journal of the School of Language, Literature & Culture Studies), and Hispanic Horizons. In addition, several faculty members are associated with editing prestigious national and international journals.

In terms of national recognition, Jawaharlal Nehru University consistently ranks among the top universities in India in the National Institutional Ranking Framework (NIRF). Notably, JNU secured the 2nd position in the NIRF 2025 University Rankings for the second consecutive year, reflecting its sustained excellence in teaching, research, and overall academic performance.

DIRECTOR, AJNIFM

Dear Industry Colleague,

The financial landscape in India is undergoing a significant transformation, as it assimilates global financial practices. This has resulted in a dynamic and complex environment, creating new demands and growth opportunities. To ensure that our students are well-prepared to capitalize on these opportunities, AJNIFM and JNU have entered into a Memorandum of Understanding (MoU) for a two-year full-time MBA programme in Finance. The MBA degree will be awarded by Jawaharlal Nehru University, New Delhi.

The aim of this two-year programme is to develop professionals who can effectively address the requirements of the global financial sector. As we embark on a new academic year filled with promise and potential, I wanted to extend a heartfelt invitation to you. At AJNIFM, we are dedicated to nurturing and empowering the leaders of tomorrow. Our students represent a diverse and dynamic talent pool, ready to tackle the challenges of the ever-evolving professional landscape.

I am delighted to introduce the participants of the 2025-27 batch of the two-year full-time MBA in Finance. They are scheduled to complete the programme in March 2027. This programme not only facilitates theoretical learning but also provides practical exposure to the financial sector. It aims to equip students with an integrated approach to finance functions and managerial skills. Through a blend of theory and practice, each participant gains a comprehensive understanding of financial management practices across various market segments.

Over the years, AJNIFM's MBA Finance programme has established itself as a programme that meets all the professional requirements for a successful career in the field of finance and financial markets. We continuously update the programme based on valuable feedback from all stakeholders. With our current upgraded curriculum for a full-time two-year postgraduate program in finance, I am confident that our students are aspiring to be fully equipped to tackle the challenges of the existing global financial landscape.

I would like to extend an invitation to your organization to participate in our campus placement drive as well. This presents an excellent opportunity for your organization to engage with our talented students and contribute to their growth and development.

Thank you for your attention, and I look forward to the possibility of a fruitful collaboration!

Praveen Kumar

FACULTY INCHARGE PLACEMENT & INTERNSHIP

Dear Industry Colleague,

We take great pride in inviting your esteemed organization to participate in the Campus Placement and Internship Process of the MBA (Finance) Programme at Arun Jaitley National Institute of Financial Management, an autonomous institution under the Ministry of Finance, Government of India. The Institute has been accredited by CBC-NABET and conferred the prestigious अति उत्कृष्ट / Excellent with 4-Star rating for excellence in education and professional training.

At AJNIFM, we are committed to nurturing industry-ready finance professionals equipped with strong analytical, managerial, and technical capabilities. The MBA (Finance) programme offers rigorous academic training combined with practical exposure in areas such as Corporate Finance, Banking, Investment Management, Financial Markets, Risk Management, Financial Econometrics, Equity Research, Investment Banking, Financial Valuation & Modelling, Wealth Management, Financial Derivatives, International Finance, Regulatory Frameworks, FinTech, Financial Analytics Etc.

The programme emphasizes experiential learning through case studies, simulations, industry interactions, and hands-on exposure to advanced financial platforms such as Bloomberg and Prowess. Students also undertake academic visits to GIFT City, Gandhinagar and Malaysia, gaining valuable insights into global financial systems and emerging industry practices.

Over the years, AJNIFM has built a strong reputation for developing disciplined, competent, and professionally driven graduates capable of contributing effectively across organizations. We are confident that our students will add significant value to your esteemed organization.

We sincerely invite your organization to engage with our talented pool of students and participate in the Placement and Internship Process at AJNIFM. We look forward to building a long-term and mutually rewarding association with your organization.

Dr. Jaya Bhalla

PROGRAMME DIRECTOR MBA (FINANCE) 2025-27 BATCH

Dear Industry Colleague,

Greetings from Arun Jaitley National Institute of Financial Management (AJNIFM).

It gives me immense pleasure to invite your esteemed organization to participate in the Campus Placement Process of the MBA (Finance) programme 2025–27 at AJNIFM, an autonomous institution under the Ministry of Finance, Government of India.

In today's rapidly evolving and technology-driven financial ecosystem, organizations require professionals who possess not only strong academic foundations but also analytical capability, strategic thinking, adaptability, and ethical leadership. Our two-year MBA (Finance) programme is carefully designed to nurture such future-ready professionals through rigorous academic training, industry-oriented learning, and practical exposure.

The curriculum provides students with in-depth knowledge and professional competence across diverse domains including Financial Markets, Corporate Finance, Banking and Insurance, Financial Modelling, Risk Management, Audit and Assurance, Regulatory Environment, Financial Analytics, Valuation, FinTech, Artificial Intelligence in Finance, Investment Analysis, and Financial Econometrics. Through case-based pedagogy, simulations, industry interactions, and experiential learning, students are trained to address complex financial and business challenges with confidence and professionalism.

I firmly believe that our students' knowledge, discipline, and problem-solving approach would prove to be a valuable asset for your organization. Their ability to analyze financial situations, develop strategic solutions, and adapt to evolving business environments can contribute positively towards organizational growth and operational efficiency.

At AJNIFM, we strongly encourage a robust industry-academia interface that bridges classroom learning with practical corporate expectations. Our students are trained to work collaboratively, think critically, and contribute meaningfully from the very beginning of their professional journey.

We sincerely invite your esteemed organization to engage with our talented pool of students and explore opportunities for mutually beneficial collaboration through campus placements, internships, live projects, and industry interaction initiatives.

We look forward to welcoming your organization to AJNIFM and building a long-standing and meaningful association.
